Subject: Re: Fw: Today's fracking call

Thanks, Carrie! There was obviously a lot of paper being generated on these issues before I took on the fracking assignment. Helpful to be able to add these to my files as well.

Absolutely. I think OGC has a narrative already going on this. Cc'ing Mindy here who might have a copy of that doc. May be good to send it around to the group as background for the discussion--do you agree?
